IX. Academic Policies

Grade Expectations for Satisfactory Graduate Level Performance. Each course syllabus sets the standard for academic grades. Class attendance is required, as specified by each course instructor. Graduate students are expected to earn grades of at least "B" in most of their course work for their degree. For graduation, a graduate student must have earned a cumulative grade point average of at least 3.0 in all graduate course work at Kennesaw State University and a grade of "C" or better in each course presented to meet degree requirements.

Academic Probation. Whenever a graduate student's institutional graduate grade point average drops below 3.0, that student will be placed on probation and be advised of the significance and potential consequences of this action. While on probation, the student will not be permitted to take comprehensive exams or obtain a graduate degree. Academic probation may also affect a student's financial aid status or eligibility to hold a graduate assistantship. Students on probation are only allowed to register for courses during final registration. Graduate students can have their probationary status removed by raising their institutional grade-point average to at least 3.0. Individual graduate programs may have additional expectations and/or grading policies.

members from outside the department where the grade was awarded and one (1) student to review the written documentation and make a recommendation to the Dean. The advisory panel may invite the student and the faculty member who awarded the grade to meet with the panel to share each party's position on the grade dispute. The panel will provide a written recommendation to the Dean

point average of 3.0 calculated on all graduate courses attempted at KSU and a grade of "C" or better in each course presented to meet degree requirements.

Students should check with the Registrar to ensure no grades of "Incomplete" remain on their transcript, that they have completed all program and Bagwell College of Education requirements (i.e., Petition to Graduate), all fees are paid, and that they are on the graduation clearance list. These checks ensure the graduation process will go smoothly. Students can also check most of this information online.

Students will follow graduation procedures as outlined by the university. During KSU Commencement, Bagwell College of Education doctoral graduates and faculty participate in a university-wide Doctoral Hooding Ceremony. Names of doctoral candidates and dissertation chairs, along with the titles of dissertations, are announced, and candidates are hooded by their dissertation chair. Candidates' names, dissertation chairs' names, and dissertation titles are provided in the official commencement program. Doctoral regalia are available in the KSU Bookstore and may be purchased or rented. The regalia are featured on the KSU Bookstore website in advance of graduation.
