

councils?

- Will reach out to all councils and will work closely with Terance (other potential FSL senator)
- Do you have a plan to promote diversity and inclusiveness?
 - When rushing, they do not discriminate. There is always inclusion.
- How are you going to use your influence, so people can start seeing Greek life in a positive light?
 - Want to send survey to constituents asking them how they view Greek life. Will reach out to connections that he has on the Kennesaw and Marietta campus
- What would you do to influence constituents to be safer in this global pandemic?
 - Want to persuade people based on morality since the decision to wear masks has now become a moral obligation
- Fraternity and Sorority Life: Terance Foxx
 - How do you plan to be inclusive to all the councils?
 - There is a lot of growth for all the councils. Want to create a networking event for all councils on the football field and will invite all the current and grad chapters and the advisors.
 - Do you have a plan to promote diversity and inclusiveness?
 - During their intake, they get to know the person and do not discriminate. He will have those conversations with the LGBTQ+ community and partner with them on events.
 - How are you going to use your influence, so people see Greek life in a positive light?
 - **Highlighting t** (/

community service and showing others their work ethic

- Will reach out to alumni to help advertise
- What would you do to influence constituents to be safer in this global pandemic?
 - Will have personal conversations and express how the pandemic has affected people
 - Will influence constituents by wearing his mask
- Racial and Ethnic Minorities: Joshwell Thompson
 - What is something that you are looking to change on campus in your position?
 - Increasing competence of ethnic and minority groups
 - Want students to be more proactive and create change
 - What are some attainable/tangible goals?
 - Want to get students to come to the multicultural offices more and go to events
 - Want to learn more about the challenges students are facing so he can create some tangible goals based off their responses
 - What is something that you can do for families/people who have been hit hard by the pandemic?
 - There have been public educational efforts.
 - He will show the statistics and how disproportionately those families have been affected.
- Student Workers: Avery Holcombe
- WellStar: Tobechi Irokanulo
 - Do you have any general ideas or goals for the WellStar college?
 - Do not know the students, so do not know what they are going through, but will go ask the students what they

are going through

- Really hard to make friends as an international student
- Do you think WellStar should have cultural competency classes?
 - Yes.
- Do you think that is something you are interested in doing?
 - Yes, it will benefit the students of the WellStar college because they must take care of people of different ethnicities and backgrounds.
- Are their resources that you w
